 Payment policy
Inclusive
Fair partnerships
 Public Advisory group
 Sharing power
Non-clinical
Diverse partners
 Challenging Programme Director
 Decision-making

Next steps

- The final MRC public partnerships strategy will be published on the MRC website in summer 2024.

“ What else people said

I read with a smile on my face as I could feel that everybody was included.”

I like the focus on non-clinical as this is traditionally the most challenging area.”

Nurturing good partnerships takes time and resources.”
