UKRI Peer Review Training Tool User Access Guidance

Summary:

The Economic and Social Research Council (ESRC) and Engineering and Social Physical Sciences Research Council (EPSRC) are running this pilot of the Peer Review Training in collaboration with STFC to test the platform and course functionality.

We would appreciate any feedback via the ESRC peer review mailbox:
(peerreviewcollege@esrc.ukri.org).

This document aims to provide guidance to users on the following subjects:

- [Accessing the learning management system \(LMS\)](#)
- [Registering an account](#)
- [Accessing mandatory courses](#)

Accessing the learning management system (LMS)

Users can access the STFC learning management system using the following link:

[STFC Learning Management System: Log in to the site](#)

At the log-in screen, you should find a link at the bottom right of the page to create a new account, click this to sign up to the learning management system and access the training.

Hi,

A new account has been requested at 'STFC Learning Management System' using your email address.

To confirm your new account, please go to this web address:

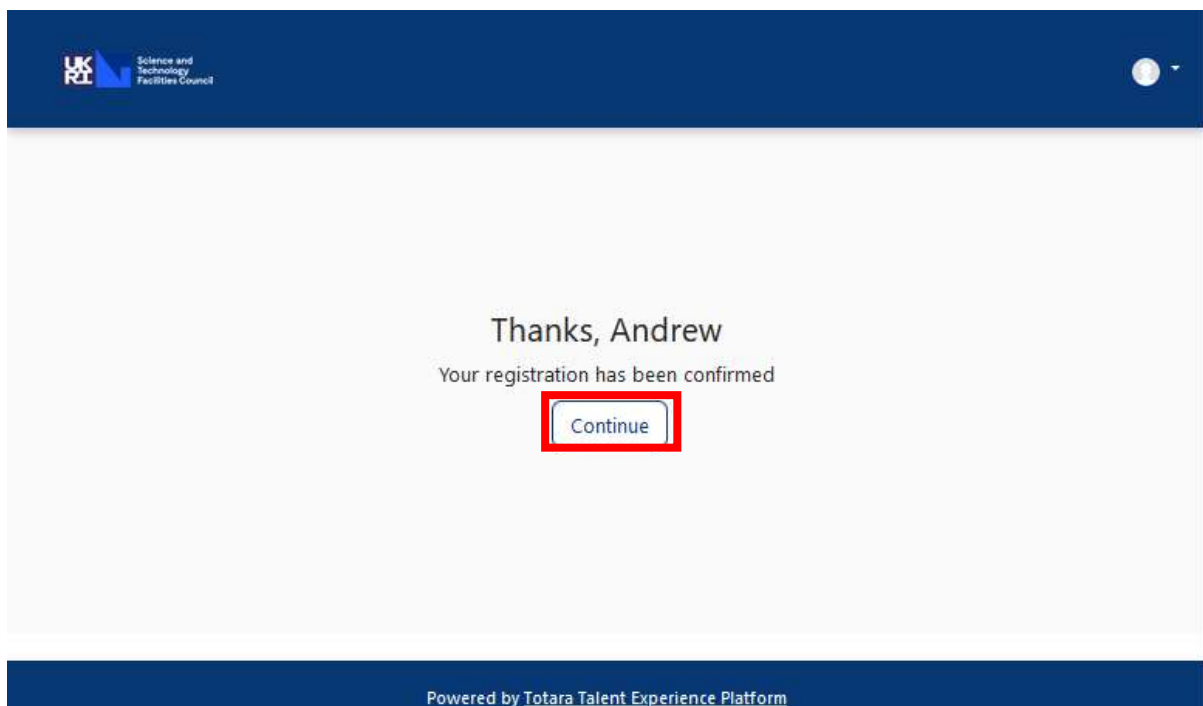

<https://lmsweb.stfc.ac.uk/moodle/login/confirm.php?data=nVMF5HmpS3XpWDL/andrew-test-3>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

Totara Administrator
totaraadmin@stfc.ac.uk

On clicking the link, you will be taken to a page that will confirm your registration is complete. Clicking the "Continue" button will log you into your new account.

Accessing mandatory courses

Once logged into the system you should see the STFC Totara home page. You can find the Peer Review Training under the “Course Search” function on the top left and searching for “UKRI Peer Review Training”.

Follow the links for ESRC Peer Review College.

The screenshot shows a web browser window displaying the Totara LMS interface. The browser address bar shows the URL: <https://lmsweb.stfc.ac.uk/moodle/mod/scorm/view.php?id=2750>. The page title is "ESRC Peer Review College". The navigation menu includes "Home", "My Bookings", "Record of Learning", "Reports", "Find Learning", and "Calendar". The user's name "Claire" is visible in the top right corner. The main content area shows the course details for "ESRC Peer Review College". The course is categorized under "ESRC and ESRC Peer Review Training". The course details include: "Number of attempts allowed: Unlimited", "Number of attempts you have made: 1", "Grade for attempt 1: 0%", "Grading method: Highest attempt", and "Grade reported: 0%". The mode is set to "Normal". There is an "Enter" button at the bottom of the course details. The footer of the page includes the text "For support e-mail: DIServiceDesk@stfc.ac.uk" and a "Disclaimer" link.

If required, to enlarge the training tool you can minimise the navigation bar on the left of the screen.

You can pause the training at any point, log out and return at another time and it will let you resume from where you left off.

You can exit the course on the top right-hand side of screen.

Once registered, the login page is the same for internal and external users.

The course will now be available from the Totara home page at the bottom left corner.
