## Konfer ([konfer.online](https://konfer.online))

- Fee to use **targeted** collaboration platform using smart matching technology to notify UK businesses and experts of **relevant** partnership opportunities.
- Developed by the National Centre for Universities and Business (NCUB) in partnership with UK Research and Innovation (UKRI) and Research England.
- Directory of 72,000 **innovation-ready** businesses. Connected with all UK universities. Over 6,000 registered Konfer users.
- Opportunity marketplace featuring 189 live collaboration calls. Access to databases of 153K experts, 1.8M research items, 38K patents, 15K pieces of equipment.

*“The problem konfer solves is the difficulty (or time spent) trying to identify academics or businesses working in very specific fields who may be interested in collaborating”*
