

A selection of the Institutes, laboratories, centres and units strategically supported across UKRI

KEY FOR UKRI FUNDED INSTITUTIONS:

Legally independent of UKRI	Embedded in a University or an IRO	Wholly-owned by UKRI	*Jointly run by EPSRC and STFC
-----------------------------	------------------------------------	----------------------	--------------------------------

The UK's National Facilities (Diamond, CLF and ISIS) are funded through STFC. STFC also provides National Laboratories that support the operation of the facilities, and other science areas.
